

SupraPlus Wireless (CS351/CS361): How to Replace the Ear Cushion

Article ID : 000009536

About the Ear Cushions

There are two components to the SupraPlus Wireless ear cushion:

- The clip, shown below on the left, fastens the cushion to the headset
- The cushion, shown below on the right, slips over the clip

Procedure

How to Replace the Ear Cushions

1. Pull the ear cushion and clip away from the speaker.
2. Pull the ear cushion over the side of the clip.
3. Discard the ear cushion, but be sure to save the clip to reuse with your replacement cushion.

Part Numbers for Replacement Cushions
